*** Only PSYC 10514/10524 satisfies a Natural Science (NSC). PSYC 10213 is not a Natural Science. If the student chooses to take PSYC 10213, then total hours for the Freshman Semester I will be only 15 hours and the student will need to add an one hour elective and a NSC (instead of a 3 hr elective) to meet the required 124 semester hours.

- 42 hours of COSD required
- Must take Biology
- Must take 9 hours of Psychology

Please Note: COSD 50300 can be taken in the last semester (optional semester).
